This flowchart is a guide for the 2020-2021 Software Engineering program at Iowa State University. It includes prerequisites, core courses, and electives. The program requires 125 credits. The flowchart is divided into several sections, with courses and prerequisites marked in various colors. The text on the flowchart includes:

1. The flowchart is only a guide. For more detailed information, including prerequisites and co-requisites, see the ISU catalog.
2. Check the electives list on www.se.iastate.edu.
3. Course and term offerings subject to change.
4. Lab and lecture must be passed in the same semester to receive credit for CpE courses.
5. Students who take the 4 credit hour CPR E courses (CPR E 288, 308, and 381) can use the extra 1 credit per course toward the supplemental elective requirement.
6. College of Engineering requires two years of a single world language in high school or two semesters of college in a single world language.
7. Iowa State undergraduate students must fulfill graduation requirements in two areas: U.S. Diversity & International Perspectives. Both require three credits of course work.
